Definitions

56.2. (1) In this section,

"avoidance transaction" means, subject to subsection 245(4) of the federal Act, a transaction or a part of a series of transactions that, if not for this section, would result directly or indirectly in a tax benefit, unless the transaction may reasonably be considered to have been undertaken or arranged primarily for a *bona fide* purpose other than to obtain a tax benefit; (*opération d'évitement*)

"tax benefit" means a reduction, avoidance or deferral of tax or other amount payable under this Act, or an increase in a refund of tax or other amount under this Act; (*avantage fiscal*)

"transaction" includes an arrangement or event. (*opération*)

General anti-avoidance provision

(2) If a transaction is an avoidance transaction, the tax consequences to a person shall be determined in a manner that is reasonable in the circumstances in order to deny a tax benefit that but for this section would result directly or indirectly from that transaction or from a series of transactions that includes that transaction.

Determination of tax consequences

(3) Without restricting the generality of subsection (2), in determining the tax consequences to a person under that subsection,

- (a) an amount deducted in computing an amount referred to in the definition "tax consequences to a person" may be allowed or disallowed in whole or in part;
- (b) any deduction referred to in paragraph (a) or any other amount used to determine an amount payable or refundable under this Act may be allocated to another person;
- (c) the nature of any payment or other amount may be recharacterized; and
- (d) the tax effects that would otherwise result from the application of other provisions of this Act may be ignored.

Request for adjustments

(4) If a notice of assessment, reassessment or additional assessment reflecting the application of subsection (2) to a transaction or a series of transactions has been sent to a person, or a notice of determination has been sent to a person, another person is entitled, within 180 days after the date of mailing of that notice, to request in writing that the Minister make an assessment, reassessment or additional assessment applying subsection (2) or otherwise make a determination respecting returns of income, assessments of tax, withholdings of tax or reassessments of tax.

Duties of Minister

(5) Upon receipt of a request under subsection (4), the Minister shall consider the request and make an assessment, reassessment, additional assessment or determination notwithstanding an expiry of a time limit, except that an assessment, reassessment, additional assessment or determination may be made under this subsection only to the extent that it may be reasonably regarded as relating to a transaction referred to in subsection (4).

Notification of tax consequences

(6) The tax consequences to a person after the application of this section shall only be determined through a notice of assessment, reassessment, additional assessment or determination under section 11 or 12. S.Nu. 2011,c.9,s.15.

PART III

COLLECTION OF TAX

COLLECTION AGREEMENT

Commissioner's right to enter into agreement

57. (1) The Commissioner may, on behalf of the Government of Nunavut, enter into a collection agreement with the Government of Canada under which the Government of Canada will collect taxes payable under this Act on behalf of the Government of Nunavut and will make payments to the Government of Nunavut in respect of the taxes so collected, in accordance with such terms and conditions as the collection agreement prescribes.

Amendments

(2) The Commissioner may, on behalf of the Government of Nunavut, enter into an agreement amending the terms and conditions of a collection agreement entered into under subsection (1).

Minister's powers where agreement exists

(3) Where a collection agreement is entered into, the Minister, on behalf of, or as agent for, the Commissioner, may employ all the powers, and perform all the duties of the Commissioner under this Act, and exercise any discretion that the Commissioner has under this Act including the discretion to refuse to permit the production in judicial or other

proceedings in Nunavut of any document that is not, in the opinion of the Minister, in the interests of public policy to produce.

Deputy Minister's powers

(4) Where a collection agreement is entered into, the Commissioner of Revenue of Canada may

- (a) employ all the powers and perform the duties of the Minister and exercise any discretion that the Minister has under subsection (3) or otherwise under this Act; and

S.Nu. 2010,c.3,s.7(3).

Minister's right of appropriation

58. (1) A collection agreement may provide that where any payment is received by the Minister on account of tax payable by a taxpayer for a taxation year under this Act, the federal Act or an income tax statute of another agreeing province, or under any two or more of such statutes, the payment so received may be applied by the Minister towards the tax payable by the taxpayer under any such statute in such manner as may be specified in the agreement, notwithstanding that the taxpayer directed that the payment be applied in any other manner or made no direction as to its application.

Effect of appropriation

(2) Any payment or part thereof applied by the Minister in accordance with a collection agreement towards the tax payable by a taxpayer for a taxation year under this Act

- (a) relieves the taxpayer of liability to pay such tax to the extent of the payment or part thereof so applied; and
- (b) shall be deemed to have been applied in accordance with a direction made by the taxpayer.

No action against persons withholding tax

59. Where a collection agreement is in effect and an amount is remitted to the Commissioner under subsection 153(1) of the federal Act, as it applies for the purposes of this Act, on account of the tax of an individual who is resident on the last day of the taxation year in another agreeing province,

- (a) no action lies for recovery of such amount by that individual; and
- (b) the amount may not be applied in discharge of any liability of that individual under this Act.

R.S.N.W.T. 1988,c.19(Supp.),s.38.

Liability to remit reduced by tax withheld outside Nunavut

60. (1) Where a collection agreement is entered into, an individual resident in Nunavut on the last day of the taxation year is not required to remit any amount on account of tax payable by him or her under this Act for the taxation year to the extent of the amount deducted or

withheld on account of his or her tax for that year under the income tax statute of another agreeing province.

Overpayment by excessive withholding or deduction

(2) Where the total amount deducted or withheld on account of tax payable under this Act and under the income tax statute of another agreeing province by an individual resident in Nunavut on the last day of the taxation year to whom subsection (1) applies exceeds the tax payable by him or her under this Act for that year, section 24 applies in respect of such individual as though the excess were an overpayment under this Act.

S.Nu. 2001,c.14,s.2(1)(l).

Definitions

61. (1) In this section,

"adjusting payment" means a payment, calculated in accordance with this section, made by or on the direction of Nunavut to a non-agreeing province; (*paiement de rajustement*)

"amount deducted or withheld" does not include any refund made in respect of that amount; (*montant déduit ou retenu*)

"non-agreeing province" means a province that is not an agreeing province. (*province non participante*)

Adjusting payments

(2) Where, in respect of a taxation year, a non-agreeing province is authorized to make a payment to Nunavut that, in the opinion of the Commissioner, corresponds to an adjusting payment, the Commissioner may make an adjusting payment to that non-agreeing province and enter into any agreement that may be necessary to carry out the purposes of this section.

Adjusting payments where collection agreement exists

(3) Where a collection agreement is entered into, the adjusting payment that may be made pursuant to subsection (2) may be made by the Government of Canada where it has agreed to act on the direction of the Commissioner as communicated to the Minister.

Amount of adjusting payment

(4) The adjusting payment to be made under this section shall be in an amount that is equal to the aggregate of the amounts deducted or withheld under section 153 of the federal Act, as it applies for the purposes of this Act, in respect of the tax payable for a taxation year by individuals who

- (a) file returns under the federal Act;
- (b) are taxable thereunder in respect of that year; and
- (c) are resident on the last day of that year in the non-agreeing province to which the adjusting payment is to be made.

No recovery of amounts deducted

(5) Where an adjusting payment is to be made and there has been an amount deducted or withheld under subsection 153(1) of the federal Act, as it applies for the purposes of this Act, on account of the tax for a taxation year of an individual who is taxable under the federal Act in respect of that year and who is resident on the last day of that taxation year in the non-agreeing province,

- (a) no action lies for the recovery of such amount by that individual; and
- (b) the amount may not be applied in discharge of any liability of that individual under this Act.

Liability to remit reduced by amount deducted or withheld by non-agreeing province

(6) Where an adjusting payment to a non-agreeing province is to be made under this section for a taxation year, an individual resident in Nunavut on the last day of the taxation year is not required to remit any amount on account of tax payable by him or her under this Act for the taxation year to the extent of the amount deducted or withheld on account of his or her income tax for that year under the law of that non-agreeing province.

Overpayment by excessive withholding or deduction

(7) Where an adjusting payment to a non-agreeing province is to be made under this section for a taxation year and the total amount deducted or withheld on account of tax payable under this Act and on account of tax payable under the law of the non-agreeing province by an individual resident in Nunavut on the last day of the taxation year to whom subsection (6) applies exceeds the tax payable by him or her under this Act for that year, section 24 of this Act applies in respect of such individual as though the excess were an overpayment under this Act.

Effect of Government of Canada making adjusting payment on Nunavut's behalf

(8) Where a collection agreement is entered into and the Government of Canada has agreed in respect of a taxation year to carry out the direction of the Commissioner and to make an adjusting payment on behalf of Nunavut, the adjusting payment

- (a) shall be made out of any moneys that have been collected on account of tax under this Act for any taxation year, and
- (b) shall be the amount calculated by the Minister to be the amount required to be paid under subsection (4),

and the payment thereof discharges any obligation the Government of Canada may have with respect to the payment to Nunavut of any amount deducted or withheld under section 14 to which subsection (5) applies. R.S.N.W.T. 1988,c.19(Supp.),s.39; S.N.W.T. 1995,c.4,s.24; S.Nu. 2001,c.14,s.2(1)(l).

Enforcement of judgments

62. (1) A judgment of a superior court of an agreeing province under that province's income tax statute, including any certificate registered in such superior court in a manner similar to that provided in subsection 223(2) of the federal Act, as it applies for the purposes of this Act, may be enforced in the manner provided in the *Reciprocal Enforcement of Judgments Act* and shall be deemed to be a judgment to which that Act applies.

Registration

(2) For the purposes of subsection (1), where a judgment of a superior court of an agreeing province is sought to be registered under the *Reciprocal Enforcement of Judgments Act*, the judgment shall be registered notwithstanding that it is established that one or more of the provisions of subsection 2(4) of that Act apply.

Regulations to enable enforcement

(3) For the purposes of subsection (1), the Commissioner, on the recommendation of the Minister responsible for this Act, may make regulations to enable the enforcement in Nunavut of judgments in respect of taxes in agreeing provinces. S.N.W.T. 1995,c.4,s.25; S.Nu. 2001,c.14,s.2(1)(l).
