- In the French version, the grammatical forms of the word “Inuit” have been changed to reflect number, gender and agreement between nouns and adjectives.
- In the French version, the term “employée” has been changed to “employé” and other related words have been consequently changed for grammatical agreement.

Disclaimer: the [June 13, 2022 consolidation](#) of the *Labour Standards Act* is based on earlier, non-official consolidations. Legislation Division has maintained record of all changes made in the non-official consolidations over time, and all the recorded changes are reflected in the table above. However, it is not possible to verify that every single change in the existing non-official consolidation was duly recorded.
